

I wanted to write and let you know that my family listens to KLOVE on 89.9 FM in my area.

KLOVE is a wonderful family station that I can always count on to lift my spirits. I never have to worry about music being played that is disrespectful or vulgar like so many other stations.

I can't imagine KLOVE not being there to listen to. I heard there is talk about KLOVE being replaced by a LPFM broadcaster. Please, reconsider that action.

KLOVE radio is such a positive part of my community, I would hate to think I wouldn't have a pro family station to listen to.

Thank you for your time and please don't take our KLOVE off the air.

Sincerely,

Donna Murphree
